## Techsauce Global Summit 2022

Southeast Asia's biggest and best tech summit will return on 26-27 August, 2022 with lots of highlights to look forward to. Apart from business opportunities, the reason that makes Techsauce Global Summit become Asia's leading tech conference and a must-go destination for tech-savvy around the world is "contents".

For 2022, the conference will still be packed with "in-depth" content from world-class sources, so that participants will be able to keep up with the fast-changing trends and deeply understand how to benefit from the trend through action. Surely you cannot afford to miss the following highlights to be showcased during the upcoming Techsauce Global Summit 2022.

# Who will attend TSGS 2022?

# Highlights

## What can you expect from Southeast Asia's biggest tech conference?

### 1. Business Matching **Pre-registration is required.**

By joining our business matching platform, you will have the chance to meet new people who share your interests and could become your future business partners. Sign up today and be ready to maximize your network.

### 2. Workshop hosted by World-Class Speakers

**Pre-registration is required.**

Come and expand your knowledge in the workshops we've prepared for you. Topics cover business skills, AI/DATA, and more!

### 3. Tech Showcase Stage

Do you enjoy listening to startup pitches and learning about new ideas from rising innovators? We're bringing a pitching stage back to Techsauce so that everyone can engage in this exciting activity!

### 4. Techsauce Awards 2022 **Invitation only**

A prestigious event to award the best investor, founder, startup, and innovative firm of the year.

# Highlights

## 5. Speed Dating **Pre-registration is required.**

For all the singles out there, you may want to switch from swiping on Tinder to meeting new people in person. You can now match your potential partners at Techsauce. Come join us at our speed dating event powered by Tinder.

**\*All participants must be at least 20 years old**

## 6. Experiencing Zone

Our event is not just about serious topics! Come have fun in the experience zone, such as taking photos at the photo booth and keeping them as a gift, playing games, or discovering the most recent collection of our NFT.

## 7. Graphic Recording

Do not miss graphic recordings (visual note-taking) which will highlight key takeaways from each session on the Main Stage. Come to Exhibition Area to explore all of the visual recordings.

# Must-see Speakers

# How to get the best out of Techsauce 2022?

## Before the conference

- Share your attendance on social media! You will be surprised to know who you get to meet at Techsauce Global Summit 2022.
- Know your route to the event and plan your schedule in advance. You would not want to miss your interested talks!
- Pack comfortable shoes and have plenty of your business cards ready.
- Know how to access the QR code from your email and present it at the self-registration kiosk!
- Remember to bring along your identity card/passport for identification!

## At the conference

### **Make sure to bring your identification documents and/or QR code!**

- Register at the counter or the kiosk for quick and easy self-registration.
- Use hashtag #TSGS2022 to share your thoughts and insights on social media!

## After the conference

- Come join the crowd at Techsauce After Party where you can expect to enjoy live band, DJ, and beverages while you mingle and connect with people in an unforgettable ambiance. The best networking happens after hours! Remember to bring your identification documents and do not miss this out!

# Code of Conduct

It is of utmost importance that every person attending Techsauce Global Summit 2022 has a positive and rewarding experience. We are committed to create and nurture a welcoming, respectful, and collaborative event. We sincerely thank all event attendees for sharing this goal.

Every person at this event shall abide by the Code of Conduct under the same standards. This includes event-related offline materials, content in online platforms, and social media channels.

**Dangerous goods such as, but not limited to, are prohibited:**

And any other goods the security team deems as dangerous.

We are dedicated to providing a harassment-free and inclusive event experience for everyone and will not tolerate any kind of harassment, regardless of:

- Gender identity, expression, or representation
- Sexual orientation
- Disabilities or medical condition
- Physical appearance or body size
- Ethnicity, nationality, race, religion, or age

# Code of Conduct

from taking phone calls in the  
conference and workshop rooms**

**Please wear your face  
mask at all time!**

## Unacceptable behavior

Unacceptable behavior includes, but is not limited to:

1. Intimidating or abusive action and/or speech.
2. Violence, threats, or hurtful language.
3. Inappropriate disruption of events through any means.
4. Physical or verbal assault/harassment or inappropriate physical contact.
5. Sexist, racist, jokes, or language.
6. Inappropriate or unwanted photography or recording.
7. Bullying in any manner or stalking others.
8. Sexually explicit or offensive language, or behavior
9. Content that contains profanity, obscene gestures, racial, or religious.
10. Failure to follow any rules or regulations of the event.

# Code of Conduct

## **Consequences of unacceptable behavior**

- Anyone asked to stop unacceptable behavior is expected to comply immediately.
- Staff may take any action, including a warning or asking the person to leave the event with no refund.
- For more serious cases, we may, in its reasonable discretion, temporarily ban or permanently expel that person from the event.

## **What to do if you witness/ are subjected to unacceptable behavior?**

- Let our staff know that you are being harassed or feel uncomfortable, please contact our staff immediately if you notice that someone is being harassed,
- Our staff will be available to assist and coordinate with the security team. All reports will remain completely confidential.

# Code of Conduct

## **Personal Data Protection Act (PDPA)**

Techsauce Media Co., Ltd.(the "Company"), as a data controller under Personal Data Protection Act. B.E. 2562("PDPA"), would like to collect, use and disclose your personal data ("data processing") for purposes related to the publication and advertising of the event you attended and to comply with the conditions set forth by PDPA.
